KIHEI LUTHERAN CHURCH

PASTOR DAVID J. KRUEGER

DAWN'S INSTALLATION

Mark **Sunday, May 5th** as a very important day in the life of KLC. That's the day Dawn Fleishman will be

installed as the Director of Youth and Family Ministry. The installation will take place during the 9:00 a.m. worship service, followed by a special celebration luncheon, which will be provided, at 11:30 a.m. In honor of the Fleishman's coming from Arizona, and it being Cinco de Mayo Day, the meal will have a Mexican theme. Talk with Pastor Dave regarding any questions you might have.

COUNCIL ELECTIONS

Elections for the 2013-2014 church council took place Sunday, April 21st. The following KLC members were elected at the congregational meeting: Dave Ballaine, Adam Krueger, Vicki Lee, Jan Patrick, and Zel Terluin. They will join the other returning council members – Keli Nelson, Dave Reader, Tom Rietz, Renee Romerdahl, Joel Rudow, & Rhonda Stoltzfus. The full 2013-14 council will be installed at worship on Sunday, June 30th. Mahalo ke Akua / Thanks be to God for the gifts we are given in these people who are willing to serve KLC in this capacity. May God's Holy Spirit be with and guide them in every way!

PENTECOST SUNDAY

Sunday, May 19th, is the celebration of Pentecost in the life of the Christian Church. Traditionally, it is known as the birthday of the Christian faith, as it is on that day that the Holy Spirit came to those first followers of Jesus, and filled them in such a way that they went out into the streets of Jerusalem and shared the story of the death and resurrection of Jesus to many people.

The story, in Acts 2, tells of how that Spirit gave the followers the ability to speak in many different languages, so that all who were in Jerusalem could understand what was being shared with them. As a way of recalling how the Gospel should be shared in all languages, the First Lesson on Pentecost Sunday will be read in seven different languages by different KLC members: Hawaiian, Mandarin, Dutch, Ilocano, Tongan, Japanese, and Indonesian.

The Rite of Confirmation will also take place on Pentecost Sunday this year. Four KLC youth, who have completed the two-year program, will share their statement of faith with the congregation, as well as publically state their desire to continue in the relationship that God first started with them in baptism. A fifth, second-year confirmation youth (who will be off-island on Pentecost Sunday), will share their statement of faith the following Sunday, May 26th. **As this is truly a day of celebration, you are encouraged to wear red.**

ALOHA FROM PASTOR DAVE

In writing my article for this month's newsletter, I realized that this would be the last one I'd have to write for a few months. That's because I'm scheduled to be away from KLC during June, July, & August for a three-month sabbatical. Over the past couple of months I've had some people ask me what a sabbatical exactly is. Some think that it's just a long vacation. Others have thought that it meant I would be gone for a whole year. Still others believe that it's an extended period of significant studying on a given subject. Given those comments, I thought it might be helpful to explain what the idea is behind a sabbatical, and what my particular sabbatical will consist of.

A sabbatical literally refers to a ceasing, or a rest from work. It follows from an Old Testament law which required one to stop working a field for an entire year every 7th year. It is also tied to the Jewish day of rest called "Shabbat". In Genesis 1, following God's creating the world over a 6 day period, he takes the 7th day to rest. So, the Israelites were also to observe a Sabbath day, which started at sundown on Friday, and lasted until sundown on Saturday. During this time no work was to be done, and the worship of God was to take place in each home.

In today's world, a sabbatical usually refers to an extended absence from one's career, lasting anywhere from 2 months to a full year, where the individual does something career-related that they would not normally be able to do while working full-time. In the life of the church, pastors are encouraged to take a sabbatical every 7 years to accomplish three things: to engage in some sort of learning that will enhance their ministry to the congregation they are serving, to engage in something that will help them grow personally, and to take time to rest and be rejuvenated. The idea is to have a balance of these three things during the time of the sabbatical.

That's what will be happening for me during this coming summer. As many of you know, I'll spend my first week with the KLC youth, traveling to Kaua'i for their annual servant trip. I feel it's important to have this time and experience with the youth, so I won't be passing it up. The last two weeks of June I'll be traveling with Father Austin from Trinity Episcopal Church, and Pastor Tevita Maile from the Tongan United Methodist Church. We will be heading to Tonga, Samoa, and Fiji. Under the guidance of Pastor Maile I hope to gain a better understanding of a couple of the Polynesian cultures which play such a big role in life on Maui. In July I'll be spending time with family, as well as attending a conference in Cincinnati, OH, around the book titled "Raising the Roof". This book is from the Alban Institute, and is written to help congregations that are changing from being "Pastor-led" to being "Program-led", which is what KLC is doing right now. My plan is to return in the fall and get the leadership of KLC to study this book with me as we lead KLC from one phase of its life to the next. August will see me doing some additional visiting of family, as well as finishing up the training I started in February for Intentional Interim Ministry. The training is helping me now in terms of my understanding the dynamics of relationships at KLC. It will also help me in my future, should I decide to interim ministry work.

Mahalo nui for the opportunity you are giving me to be away for three months to grow, as well as to rest. I know from my experience from my first sabbatical 7 years ago that I'll return much more energized and ready to head into whatever God has in store for us. I also know that all of you are capable of carrying out the ministry of this church in a wonderful way, even with me being gone. I will hold you up in prayer constantly throughout the summer. God's peace be with you!

Ke Akua me ke Aloha, *Dave*

PRAYER SHAWL MINISTRY

Aloha! The next blessing of the Prayer Shawls will be on June 9th. If you would like a Prayer Shawl for any occasion, please stop in at the church office any day of the week or on Sunday morning. This ministry is open to all, so please know that you are welcome to come and join us any Thursday morning from 9-11AM in the Education Room. This ministry continues to be strong and is flourishing with an average of three and a half shawls given out per week for the last six years! Praise God!! This would not happen without all the ladies who come and knit and pray!! MAHALO, Prayer Shawl Ladies! YOU ARE THE HANDS OF JESUS!!!

As most of you know, we are NOT part of the budget for KLC, so all our yarn is bought through donations for this ministry. At this time we are in great need of more yarn and would ask that you would prayerfully consider giving to this ministry. You can make a check out to KLC and then **please put the prayer shawl ministry on the memo line in the left hand corner of the check.**

Mahalo~ God bless you and yours! In His Love,

The Prayer Shawl Hui

FAX # DISCONTINUED

For the past seven years, KLC has had a dedicated phone line for the church fax machine – 808-879-1803.

The church office has seen so little fax activity in recent times, due to changing technology, that the decision has been made to discontinue the number, and no longer have a separate phone line for the fax machine. Please make note of this fact and remove the number from any connection to the church office. Mahalo nui!

Sunday School Update—March and April

Week one in March was stormy sailing for the Sunday School Keiki, as Vicki, Roxi and Jessi, recreated “Jesus Walk on the Water”. On a big blue quilt the kids sat as the seas rolled, and the bible lesson was read. Week two, was “Doughnut” you know that Jesus always loves you”. The kids were treated to doughnuts and did special worksheets as they went over all the reasons that no matter what Jesus will always love them. Week three was colorful crazy notes they posted on each other, to let each other know all the good things about them, and each person is unique in their own way. Week four all the keiki and youth created the beautiful Easter banner that was the focal point of the Resurrection Celebration. . Many mahalos to the Nelson ladies as they soared Sunday School to new heights with their creativity and fun.

In April, Stephanie Mohr, has been working on the 40 days after Easter, teaching the keiki about spreading the “Easter Messages with others.” They popped popcorn and filled the recycled plastic eggs, along with a paper Easter message and gave them to some of the congregation after service. They also made a colorful magnetic jellybean prayers as a reminder of Jesus love for all. These past weeks they are working on their paper Mache globes of the Earth , to remind them to go out and spread God’s word.

Sunday School is almost over for this year, and there will be a special outing planned for the kids who attended Sunday School regularly on June 2nd. More details to follow in the weekly bulletins. I would like to take this time to thank everyone who has been associated with our Keiki Sunday School, especially those who taught this past year. It was a lot of fun, and I hope to see many of our 5 and 6 year olds attending next year. With the new class rooms on the horizon , I am sure there will be some new things starting in the fall and we look forward to sharing Jesus message with your child.

KIDS IN WORSHIP -- KEIKI WORSHIP GUIDE

It is a such a wonderful opportunity to worship together as an intergenerational community of Christ!

For children under 12, a resource is available to aid them in participating in the worship service. It includes a check list for the children to follow as we process through the order of worship, as well as questions for reflection and artwork that go along with the day's scripture readings. This resource is meant to guide them in a meaningful worship experience according to their age, attention span, and abilities and includes crayons and stickers to aid them when they get antsy.

Parents are encouraged to share your bulletins and help your children who read follow along with you during songs and prayers. Engage them in Sharing Aloha with those around them and saying "Lord have mercy" during the Prayers of the Ohana and saying "Amen" at the end of prayers. Please let Dawn Fleishman know if you have any ideas or questions on how to continue encouraging our kids in worship. (dawn@kiheilutheran.org or cell 808.250.3557)

Kindly please note that the recycling program to raise funds for the youth is ON HOLD until further notice. Mahalo for your cooperation!

PASSING THE TORCH

I am very happy to welcome Dawn as the new Director of Youth & Family Ministry. It will be fabulous to have a full-time person working with our youth and Dawn will do an amazing job.

It is hard to describe how I feel because although I am excited about the future, I pass the torch with a heavy heart. I have been blessed to be able to work with the KLC Youth Group for 6 years and I have had so much fun. I have many wonderful memories and I will cherish every one of them. Although I will continue to be involved on some level, I wanted to take a moment to thank all of you for the support you have given me over the years. Whenever I needed help, support, or prayers, you were there. I could not have done the job without all of you and I thank you from the bottom of my heart.

Bubba Rudow

RECAP:

April 7th, a handful of our youth prepared and served dinner to about fifty people at the Ka Hale A Ke Ola Homeless Resource Center in Wailuku. It was a wonderful opportunity to focus our attention on caring about other people. Many of the youth were amazed at the number of young children who came in for the meal. It gave our youth the opportunity to reflect on their own blessings that sometimes get overlooked.

THANKS FOR THE INCREDIBLE WELCOME

It is great to be here serving at Kihei Lutheran Church as Director of Youth and Family Ministries. A big thank you to everyone who welcomed my family at the airport (what an incredible welcome it was!) and all who have continued to welcome us over the last few weeks. Kihei Lutheran Church is a community of joy, grace, and love. I felt it the first time I walked through the door and continue to experience it again and again. What a wonderful and beautiful and joy-filled place. Andrew, Owen, Lila and I are very blessed to be here.

I look forward to getting to know you, hearing your ideas, and walking alongside each of you on your journeys of faith. I will have regular office hours and may also be reached via cell at 808-250-3557 or email at dawn@kiheilutheran.org. Please don't hesitate to contact me with any questions, suggestions, or thoughts! I look forward to knowing you!

APRIL ANGELS

Mahalo nui loa to Jan Porter, Kristi Bendon, Linda Hangartner, Don & Vicki Lee, and Terri Ocean for their hard work related to the reception of new members in April. Jan took care of lining up sponsors for those who joined the congregation, while Kristi, Linda, Don & Vicki, and Terri offered a hand in making the new member/sponsor luncheon a wonderful and tasty event. We are also grateful for those who agreed to be sponsors: John & Kristi Bendon, Dave & Dee Reader, Dave & Rhonda Stoltzfus, and Sanni Tharp.

Mahalos are also in order for the members of the Nominating Team, who worked hard to bring together the slate of nominees for this year's church council election. The team consisted of Debbie Galindo, Gail Holt, Sue Moorcroft, and Jan Porter. Job well done! You are KLC angels as well.

USING OUR GIFTS

Summer is going to soon be here. As we worship together during the summer, we have people with musical gifts play, sing and dance during our worship. You may be one of those people. If you are interested in enhancing our worship by providing your special gift during service, please see Beth after service or give her a call at: [651-592-0152](tel:651-592-0152), or leave a note for her in the church office and she will get back to you.

SPECIAL SUMMER STUDY

Here is a great opportunity to study the Gospel of St. Mark. Pastor John Cassidy will be leading an in-depth study of St. Mark from June 2nd to September 1st. The study will follow the Sunday worship service (10:15 a.m. start).

Please let him know if you will be attending, so that we can make facilities arrangements. You can leave a message at 875-8572.

PRAYER THAT STARTS WITH "C"

What is it?? CP or Contemplative Prayer is a method where we attempt to deepen our relationship with God.

Our group meets every month on the fourth Friday for one hour (11:00 a.m. to 12:00 p.m.) in the Education Room. It is a casual atmosphere divided into three segments of 20 minutes each. The first segment is devoted to centering ourselves so we can spend the next 20 minutes in silence, ending with the Lord's Prayer. The next segment is for discussion.

Join us and help us expand this growing ministry.

ONLINE SPIRITUAL GIFTS ASSESSMENT

The KLC Spiritual Gifts Team reminds you that you can take an online spiritual gifts assessment that will help you discover what your particular spiritual gifts are. Even if you have taken an inventory in the past, you're being encouraged to take the 10 minutes needed to complete this new assessment. The results will immediately be given to you at the time you've completed the inventory, as well as be sent to the Spiritual Gifts Team via email. Please go to the KLC website (www.kiheilutheran.org) and click on the link posted there to take the spiritual gifts assessment and learn how your gifts can best be used to serve our God. For more information, or a "hard copy" of the assessment (if you don't want to take it online), please contact Jan Porter at 283-6111.

MAHALO FOR NOISY OFFERING

To our KLC Ohana,

From the bottom of our hearts, thank you so very much for donating March's Noisy Offering (nearly \$2,000!!) to a cause that affects us personally, Choroideremia. From a young age, Danny was diagnosed with this rare, degenerative eye disease attacking his peripheral vision day by day. For quite some time growing up, there was not much hope...until today! And thanks to each of you - your prayers, support, and donations, we will be able to help keep the research going. Each dollar will help fund CHM Gene Therapy human clinical trials (occurring in London now and soon to begin in Philadelphia) which if successful, could provide the first available treatment for Choroideremia within the next 5-7 years! This treatment would help save Danny's remaining vision. We are greatly humbled by your generosity.

*Thank you!!
Danny & Sharyl*
