# ALOHA FROM PASTOR DAVID

David Barber

***...you shall be like a watered garden, like a spring of water, whose waters never fail.*** Isaiah 58:11b

In the "Invitation to Lent" for Ash Wednesday, we are reminded once again of the nature and purpose of the Lenten Season:

*We begin this Holy Season by acknowledging our need for repentance and for God's mercy. We are created to experience joy in communion with God, to love one another, and to live in harmony with creation. But our sinful rebellion separates us from God, our neighbors, and creation, so that we do not enjoy the life our creator intended.*

This invitation invites us to confess our sin. It invites us to acknowledge that we have not loved God and our neighbor as God desires. We have not served as Jesus has served us. We are also asked to acknowledge many individual and corporate sins that we have committed against each other, against creation and our environment, as well as our indifference to cruelty and injustice. The repentance that God wants is free of anxiety or selfish concern. True repentance propels us to be concerned about the needs of our neighbor without being concerned with how we're going to benefit.

Throughout the Lenten Season we need to ask? Does our repentance help us to see the people we meet each day as God's beloved children especially the least and the lost? Do our acts of repentance help us to see how our society and creation is broken, which is reflected in the reality of widespread hunger, homelessness, violence, and oppression, and do we engage in ways that bring justice and healing to all people and to the environment?

Does our repentance call us to change both our individual morality and ethics as well as how we act and live together as the body of Christ? Does our contrition embolden us to be more compassionate, more forgiving, and more loving to our brothers and sisters in this community of faith in addition to our witness and service to our neighbor?

Every Ash Wednesday we depart into the world by wearing our faith visibly with the mark of the cross upon our foreheads. Each and every person received this cross as these words were spoken: "Remember that you are dust, and to dust you shall return." This is a sobering reminder of our mortality, but it's also a blessing. God does have undying love for us and for all of his dust children. Therefore, the ashes of our mortality and our humility are intended to connect us with others and with all of creation with the same love by which Jesus has loved us. If God loves us with such undying love, then we, too, must hold each other and all created things in our hands with the greatest, care reverence, and respect.

My hope for you is that you will immerse yourselves in the gift of the Lenten Season. Be present in our mid-week worship; engage in the additional worship opportunities that will be provided during Holy Week; participate in a meaningful spiritual practice such as prayer and meditation, fasting, or works of love and service.

When we do this we will go forth into our world not only with the sign of repentance upon our foreheads; this sign of repentance will also be in our hearts. It will be a repentance that enriches the lives of the people we encounter each day, and it will free us to live into grace, which will bring us closer to God and to others.

In so doing, says Isaiah, *you shall be like a watered garden, like a spring of water, whose waters never fail.*

Pastor David

# PRESIDENT'S REPORT

## A WORD FROM OUR PRESIDENT

*"Very truly I tell you, whoever accepts anyone I send accepts me; and whoever accepts me accepts the one who sent me." (John 13:20)*

*"Whoever welcomes you welcomes me, and whoever welcomes me welcomes the one who sent me." (Matthew 10:40)*

The first quote above may be appropriate as we near Lent. It is from the last supper just after Jesus exposes Judas for betrayal. A similar quote comes from Matthew as Jesus sends his disciples out into the world. While very different, they convey a similar message of welcome. Welcome Christ's disciples; welcome others; that is what Jesus modeled throughout His life on earth. It is something we are called to do – to be sent into the world and to welcome others.

During our last council meeting and during our meeting with committee chairs the week before, I posed three questions. The questions were created by experts in planning to help illuminate where we are as a congregation and to help us discern where the spirit may be leading. The questions paraphrased: what excites you most, where do you see energy within the congregation and where are we spending most of our time. Two particular responses really caught my attention. The first came from the committee chairs and the very real excitement around our Community Assistance Committee. They are helping us to do God's work in helping the less fortunate at all levels, and their activity grows seemingly each month. The second, was at council, where I was reminded of what a welcoming congregation we are. I echo that observation. I visited my son's church while on Michigan last week, and while most folks I met extended a hand to shake and said welcome, it wasn't the warm aloha of KLC. Thank you for demonstrating Christ's love.

Also at Council Pastor shared an article, *A New Kind of Pastor*, from this month's *Living Lutheran*, the monthly magazine of the Evangelical Lutheran Church in America. The article shares a change in approach to "church" in how pastors are prepared. Briefly, it notes that the church hasn't done the best job at reaching out, rather it has focused on "serving" its members. Further, it notes that congregants typically assign the recruitment of new members to the pastor. It recognizes that both of these concepts miss the mark. In Christ we are called out into the world to spread the good news. The seminaries are now trying to equip pastors for greater service to the world. This change is a good thing; it may be what God is trying to tell us as the number of "believers" continues to shrink. This article really touches on the key to who we are as KLC. We have the gifts to deliver, with the help of the Holy Spirit, on God's call to each and everyone one of us.

We have a tradition in this congregation called the "three minute rule." Dating back more than 15 years this is a reminder to find someone new each Sunday and speak with them for three minutes. Introduce yourself; get to know who they are. As the *Living Lutheran* suggests, this is a shared responsibility, lets continue to show the aloha spirit each week. Working in partnership with our Pastor.

With Warmest Aloha, Mark Fornwall

## COMMUNICATIONS DIRECTOR

I am pleased to announce that Marilyn Hopkins has agreed to become our Communications Director. As Council committed last summer, we need to improve communications within the Congregation as well as with our Community. This new volunteer position will help with that. Early on she will be looking at how we can help improve our e-blasts, bulletins, newsletter, and website. We hope that with Marilyn's help we will do a better job of informing people on activities, recruiting individuals to help fill needs and provide a clear and consistent face to our community. It will be a big job! She will need our support and patience. Please look forward to hearing from her as she embarks on this challenging journey. Mark.

# CALL COMMITTEE UPDATE

Blessings for your Call Committee,

We have recently interviewed our first candidate and are hopeful that others will soon follow. The process is taking longer than anticipated and we have been surprised that the number of candidates are so very few. We have been told that this is not unusual for Hawaii. This past month we were also able to hold a conference call with Bishop Taylor. We were told that the synod will continue to search for candidates for us and that we all need to be patient. Bishop Taylor reminded us not to settle for someone that doesn't feel right and that waiting for a good fit will be well worth the wait.

CALL  
COMMITTEE  
UPDATE

We continue to work diligently to find the right match, and we ask for your continued prayers. Pastor David's contract is up in March, but he has agreed to stay on a bit longer in the hope that we will not need a second interim pastor. Please know that everything possible is being done, and we remain faithful and confident that God will provide.

## KLC MEN'S GOLF CLUB BECOMES OFFICIAL!

As many of you know, KLC Guests, Members and Associate Members have been informally playing golf together for over six years. It is now time to make it official: KLC Men's Golf Club will play every Thursday for the rest of the year. Why make it official? Well, we have had some new guests who play golf, but did not know about KLC's informal golf. If you do want to play please contact our two golf coordinators, Tom Rietz at 808-214-5223 or his email at [tom.rietz@att.net](mailto:tom.rietz@att.net) and John Thorngren at 805-452-7603 or [john.dori2@gmail.com](mailto:john.dori2@gmail.com).

Hit 'em long and hard!

## HALE KAU KAU

Hale Kau Kau, a community outreach program of St. Theresa Church in Kihei is holding their annual fundraiser dinner at the Kea Lani Hotel on Sunday, March 26 from 3 to 8PM.

There will be live and silent auctions with over 300 items. Dinner is at 5:30. Tickets are \$140 each. The Readers and the Embry's each have a table of 10 and would love for you to join them.

Hale Kau Kau serves about 180 meals daily to both the homeless and homebound, nearly 5000 meals a month. It takes \$350,000 a year to run the program so your generous support is needed. Many at KLC have served as drivers for meal delivery, worked in the kitchen or as servers... examples being Walt Grotz, Dave and Sam Mather and Dave Reader.

For tickets see Dave Reader (874-1481) or simply stop by the St. Theresa office on the corner of Lipoa St. and S. Kihei Rd. (879-4844).

## ANNUAL CONGREGATIONAL MEETING ELECTIONS

On Sunday, February 26<sup>th</sup>, KLC held its annual congregational meeting. At that meeting the 2017 Nominating Team was elected, consisting of Dave Ballaine, Vicki Lee, Keli Nelson & Donna Smith. Their task will be to bring together a slate of 6 nominees for the church council elections, which a date has not been set .

In addition, Mark & Marilyn Fornwall were elected to serve as KLC's voting members to the 2017 Pacifica Synod Assembly. The assembly will take place in San Diego, CA, May 11-13.

Mahalo nui to each of these individuals for their willingness to give of their time and serve the congregation in this way.

## CALL FOR NOMINEES

Church council elections are coming up sometime in April. Between now and then, the Nominating Team is seeking confirmed KLC members who would be willing to place their name into nomination for one of the 6 positions that will be open. The 2017-2018 term begins July 1<sup>st</sup>, and is a two-year term. Please consider whether you would be willing to serve in this area of the ministry of KLC. The council consists of 12 members, 6 of which are elected each year. If you would like more information, please speak with members of the Nominating Team – Vicki Nelson, Renee Romerdahl, Rhonda Stoltzfus & Sanni Tharp

## VOLUNTEERING OPPORTUNITIES DURING WORSHIP

If you have ever considered volunteering to serve in some capacity for the worship service but hesitated because you did not know exactly what you would need to do, there is now information to help.

Check the bulletin board to the right of the entrance to the sanctuary to read about providing refreshments, providing flowers, reading scripture, serving as assisting minister, ushering, greeting, and serving communion. This includes specifics for each volunteer service, like the fact that you do not need to bake your own goodies for refreshments, or how and when you will receive your scriptures and details for reading scripture or being assistant minister. It also includes the name and phone number of the person you should contact either to volunteer or with questions. This information is also in the white notebook on the usher's table, including extra copies in each sleeve for you to take.

Hopefully this information will help. And hopefully some of our members and friends will volunteer for some part of the worship service

## “TO HAVE AND TO HOLD” BOOK DISCUSSION

Joy Nelson and Pastor Barb would like to invite you to a book discussion, featuring the second in Pastor Barbara Edema's series about Pastor Maggie's impetuous, emotional escapades at a fictional church, filled with delightful characters. This one, "To Have and to Hold", is more of a mystery than the first. Barb is my husband's cousin and my great friend.

Many of you read her first book, "To Love and to Cherish", and attended the discussion, led by Pastor Barb. The discussion will again be at Sugar Beach Events, 85 N. Kihei Rd. The date is Sunday, April 23rd, from 11:30 to about 1:30. There will be a light lunch, mostly tea sandwiches, like last year.

I ordered 20 books, so if you would like one, I have them for sale at \$16. Or you could go to Amazon, and get the Kindle version for \$5. I can bring the books to church any time. Please RSVP to me, Joy, if you are interested in going to the discussion.

## \*\*\* EXTRA EXTRA EXTRA \*\*\* CHANGE OF DATE FOR "DIRTY ROTTEN SCOUNDRELS".

Originally, "Dirty Rotten Scoundrels" play the KLC Movie/Theatre Club scheduled for March 19 at the 3PM matinee has been rescheduled for Sunday for Sunday, March 12 matinee at 3PM. Unbeknownst to us the Maui Pops Orchestra also scheduled it's March performance on March 19 at 3 PM.

Because a large number of our KLC Movie/Theatre Club members also have season tickets for the Maui Pops Orchestra concerts, we are moving our play date back one week to Sunday, March 12 to avoid the concert and accommodate our members.

## KEOLAHOU FOOD PANTRY

The first Sunday of the month is designated for donations of food/ personal items to be distributed to the Keolahou Food Pantry.

Boxed or canned suggested items could be: Protein Items such as Peanut Butter, Tuna, Spam or other canned meats. Chili, soups, canned vegetables or fruit. Boxed cereal, or oatmeal. Spaghetti/pasta items, mashed potatoes, rice, etc. Any items you care to give are always appreciated. These are merely suggestions from the Food Pantry volunteers. Personal items such as tooth brushes, tooth paste, shampoo & soap are always a welcome addition.

In this time of rising costs it is even more important to remember those who may have less than others. Please continue to support the Food Pantry in all they do to help our community neighbors.

**Where have our young adults ages 22-25 gone, and what are they up to?  
Inquiring minds want to know!**

They have moved on to the next phase of their lives, but they have done so with the assurance that they are held close in the hearts and prayers of their KLC ohana. Here is where some of them are.....

Hi!

I am living in Gulf Shores, Alabama with my Fiancé Hope Elkins (the wedding is going to be in September of this year!). I am a Licensed Captain with Pleasure Island Parasail, and I love it!

Matt McCraney

Aloha, KLC 'Ohana!

I am currently living in Kula and working at Carden Academy in Pukalani. I am also pursuing my teaching credentials, and a degree in Early Childhood Education with an emphasis on Special Education through UH Manoa on O'ahu. My dream is to open my own play-based and nature-based preschool here on Maui. I hope all is well down at KLC and I want to thank you for your continual love and support all these years!

Much love,  
Maggie

Hello my KLC Ohana!

I'm living in Bradenton, Florida and working as an environmental consultant for Vertex, an environmental engineering firm. I spend my work hours traveling around the United States overseeing environmental remediation projects, and my free time swimming with manatees and exploring Florida. I miss all of you and hope that my work will bring me back to the islands very soon.

Love,

Taylor Rudow

This last year I've continued to work at the church office, and I also started a new career. My mom, Vicki, has been doing costumes for the Lao Theater and I'm her indispensable assistant. I've been taking a break from college to sort some things, but this summer I plan to finish my degree and graduate—finally! As always, I'm writing like mad and aim to start publishing a new pre-teen book series this summer—I'll let you know when that happens. Aside from all that, I'm happy, sufficiently healthy, and enjoying each day in paradise.

Jessica Nelson

Neil and I are settling into our new married life in Kent Washington. We have both started new jobs, Neil as a rocket scientist at Blue Origin, and myself at JoAnn's Fabrics. We are having so much fun exploring this beautiful place and are planning to visit Hawaii in May for my graduation from UHMC. We miss you all and look forward to visiting.
